

Manufacturers Of Fasteners & Precision Turned Parts for automotive Industries

QUALITY WITH CONSISTENCY

ABOUT US

SAHYOG ENGINEERING INDUSTRIES was founded in early Jan 1995 by Mr. Mahavir Singh with the desire to make available world class fasteners, turned components. Our target though difficult is clearly defined; to achieve the quality not only dimensionally, physically & chemically but with outlook and packaging as per customer requirement and to meet other service requirements of logistics.

Sahyog Engineering Industries is an ISO 9001 -2015 and for IATF 16949 -2016 CERTIFIED.

We are T2-Green Supplier in line with MSIL requirements.

Sahyog Engineering Industries has energetic & qualified and dedicated team with total Manpower of 30.

The company has energetic, qualified and dedicated team.

OUR MISSION

- To provide our customers with products at fair prices to enable them to get orders in markets inaccessible till now.
- ➤ To help provide new products to our customers in order to improve the image and quality of their business.
- >To make every ordering experience a pleasant one.
- ➤To deliver quickly and correctly the ordered items, and exceed our customers expectations.
- ➤ To maintain the highest level of quality, integrity and pride in our products, our company and ourselves.

QUALITY ASSURANCE

All our products are manufactured under stringent quality control methods. Quality has become integrated with the company culture and the quality system used is in compliance with the best standards in the world. Our expert technicians monitor the production process to ensure high quality international standards. We use the best quality raw material and adopts strict quality control methods, supervised by a team of most educated and technically qualified inspectors at all stages of manufacturing right to the final product.
